### High Speed Broadband

BT have finally upgraded the West Harptree cabinet and have advised that the majority of the village can now subscribe to BT Infinity. Whilst all locations may not be able to benefit from the fastest speeds due to distance from the Exchange, BT anticipate that most would be able to get much improved speeds. TrueSpeed Communications are now in a position to roll-out their ultra-fast connectivity to this village and anyone interested in this should register at [www.truespeed.com](http://www.truespeed.com)

### Memorial Hall

The on-going maintenance of this important building is a continuous challenge, and anyone wishing to utilise it is encouraged to do so. The Hall committee also run a 100 Club, which is an excellent opportunity to assist, with the added possibility of winning some money – if you can help then please contact the Hall Committee or leave your details on this website.
